Fabulous vaulted sitting room in Choucas Penthouse

Les Choucas is a fabulous residence in the heart of Val d'Isere. It is a short walk up to the piste and you are right in the centre of town, close to all the shops, restaurants and other amenities. Noise is not a problem as the property is set well back from the high street.

The wonderful thing about this apartment is the fact it is on the top floor so it has beautiful high ceilings, as shown in the pictures. It also has a fuel fireplace, which all our other Choucas properties don't have.

The Choucas Penthouse Apartment is on 2 floors (3rd and 4th) entrance on the top floor.

On entry you have a bench seat and plenty of hanging for space for coats and ski kit.

Further down the hall you are in the main open plan room with the kitchen on your right. This has a black stone worktop, large fridge with a 3 drawer freezer, 4 ring electric hob, oven, dishwasher, sink and washing machine, kettle, coffee machine, toaster, small wine fridge. The dining table sits in front of the kitchen with seating for up to 10 people.
