A light, bright and newly renovated apartment on the 5th floor for 4 people in the Pierre Vacances building in La Daille. With a balcony running the width of the apartment that can be accessed from the double bedroom or from the main room, you have great views.

The main open plan room comprises a fully fitted kitchen with full size oven, electric hob, fridge, toaster, kettle and an island that doubles for dining with 4 stools.

A sofa and lounge chair sit at the other end of the space with a wall mounted TV, surround sound and a small desk if needed. The sofa is a sofa bed that can be used in order for 4 people to spread out

but occupancy is strictly 4 people maximum. You can log in to your Netflix account (if you have one) using the Smart TV that also offers several UK channels.

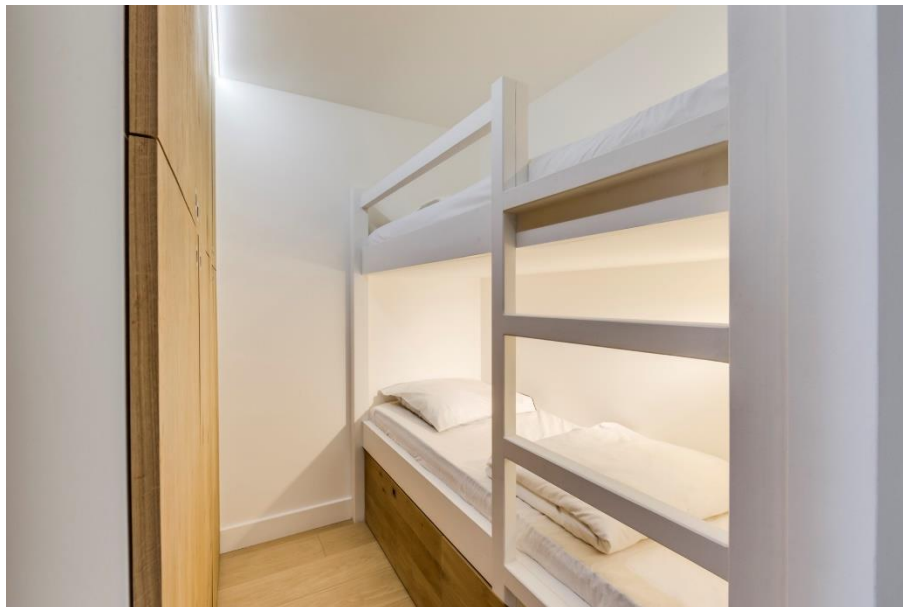

The double bedroom has a sliding door and storage under the bed or you use the ample storage in the bunk room down the hall.

A modern, bright shower room is next door with a large fitted shower, sink, hooks for towels and shelf or drawer storage. The WC is next door in the corridor.

The bunk room is compact and has the bunks (80 x 190 in size) to the right and storage on the left wall. There is no window in this room and it has a curtain for privacy.

Located in La Daille, this gives you easy access to the Belvedere sector by walking out of your building, across the road and to the new high speed gondola. The advantage of staying in La Daille is not having to queue for the bus when finishing your ski day on the Belvedere section. You just walk across the road and in to the building.

To go to town, you hop on the free bus that goes every few minutes and on a schedule at night, but it is easy to enjoy the best of both worlds of Val by staying in La Daille but still enjoying town.
