Solaise 203, Val d'Isere.

Sleeps up to 6 people 1 bedroom / 1 coin montagne / 1 sofa bed/ 2 bathrooms

Surface Area: 48 sq m (516.70 sq ft)

Available to book : self catered, scatered or B&B

Located in the centre of Val d'Isere on the 2nd floor of the Solaise Residence. This is another well-located apartment on our books, ideal for a small family.

There is the open plan living/kitchen/dining room that has 4 distinct areas, 2 in alcoves. It is tricky to describe but the kitchen with breakfast bar is the focal point.

One alcove houses a "coin montagne", (meaning built in double bed) that is open but you climb in at the bottom making it private and cosy. You cannot be seen once in the double bed.

The other houses the dining table with built in decorative wooden seating and ample space for 6 people.

The living area is in the other corner with 2 arm chairs, sofa (that is a double sofa bed if required) and wall mounted flat screen French TV. It is rather unique but we adore this apartment with its wooden floors, the neat layout and wonderful location

The accommodation comprises; 1 double bedroom with en-suite shower room with basin.

There is a 2nd bathroom with bath & basin, separate WC off hallway.

Please note this property is great for 2 people, fine for 4 but a squash with 6 occupants. The central location means you are right in town but noise is a potential issue.
